THE GAME

HURST CORPORATION announces a new spin on an American favorite board game. All America has grown up with the traditional wooden triangle whereon 14 golf tees are placed in an equilateral triangular pattern of 15 holes with the object of the game being to 'jump' and remove adjacent golf tees until a lone golf tee remains.

HURST'S "GlassHopper"TM (patent pending) uniquely adapts the traditional golf tee game to the Bio-Pharma industry with a guarantee to put a smile on everyone's face! [[HERE](#)] are some playing tips.
